---	---------------------

In recent months, numerous companies have suffered substantial financial losses as a result of fraudulent requests for "COLD DRINK," purportedly originating from government departments.

These fraudsters are presently contacting service providers under the guise of Joburg Market officials, soliciting payments in exchange for appointment opportunities. Typically, these attempts occur shortly after the publication of tender closing registers on the website.

It's important to note that Joburg Market officials will never contact service providers to solicit any form of compensation for tender awards.

If you receive such a solicitation, please report it immediately to tenders@joburgmarket.co.za.

To mitigate the risk of falling victim to these scams, companies are strongly advised to verify the authenticity of any awards by contacting Joburg Market directly using the landline contact details provided on the official website.

Service providers are cautioned against participating in such activities, as Joburg Market will not assume liability for any resulting losses.
